TOURNAMENT COACHING FEES

Coaching fees are paid only if there is a designated FIT coach at the tournament in that capacity; more coaches will be designated as more fencers attend. FIT will designate a coach to attend if 5 or more fencers go to a tournament. Place this form with your check, or credit card payment form, in a payment envelope and check the "Other" box. Write **COACHING FEES**. Either place the envelope in the payment box, or give it to the Office Staff. **A separate credit card form must be completed for each tournament because this is a "one time" charge and not a "monthly recurring" charge**. Please do not include coaching fees with any other payment to FIT. Coaching fees are paid to **Fencing Institute of Texas** (FIT) and never directly to a coach.
